Heritage Day 2018

Past Grade 7 learner Imvana (front right) joined the school for Heritage Day.

African Angels – growing good men

The learners were invited to participate in Heritage Day at school this year and come in traditional outfits. We want our learners to be proud of their Xhosa heritage and take this day to celebrate it.

Mandela Day 2018

The huge flag created by learners and the Mercedes Benz South Africa team.

Mandela Day 2018 saw a huge team from Mercedes Benz South Africa arrive at African Angels. The MBSA team helped with the round robin of games that each class was participating in, and were instrumental in the creation of a hall sized, hand painted, South African flag. We would like to thank every MBSA team member who came and gave up their day to spend with our children.

Thanks must go to Judith Wittrowski for coordinating the flag dimensions and design. The MBSA sponsored lunch, organized by Thembeke Sigabi, was a huge hit with the children and staff alike.

The flag will now take pride of place in the school hall, and be used at our end of year prize giving.

Paint for the flag was sponsored by Plascon, as well as paint for our hostel. We are really grateful to Mike Knott-Craig from Plascon for coordinating this donation.

2018 African Angels Ale Trail

African Angels Ale Trail sponsored by Talisman Hire East London

The effervescent Nokupumla at the selfie spot

The African Angels Selfie spot at the top of the Chefani River was as popular as ever.

The annual African Angels Ale Trail was sponsored by **Talisman Hire, East London** this year and held at the Emerald Vale Brewery in Chintsa East. This popular annual event saw over 130 runners completing either the 15km run or the 5km walk. The 15km run was won by one of our fathers at the school Samuel, in just over an hour which is an incredible time. Samuel was then asked to sweep the route to make sure no one was left behind! What an incredible athlete!

A full day's entertainment was organised after the race with a food and craft market and live entertainment.

A huge thanks must go to **Jason and Carrie Bowen of Talisman Hire** for sponsoring the event; Petra Trunkenpolz at Emerald Vale Catering for food for our Angel runners and a cash donation on the day, and Chris Heaton of Emerald Vale Brewery for running our teams out to water points on the day, and Steve Avidon and Chris for marking the trail.

Careers Expo Hemingways

Grade 6 and 7 attended the Careers Expo at Hemingways during term 3.

Checkers October promotion

Checkers Shoprite will donate R1 for every bunch of roses sold in their stores in October 2018 to African Angels. We were delighted to receive the call from their Head Office. The official cheque handover will occur on 1 November 2018.

Sand Castle Building Competition

Chintsa Beach was filled with folk making sand castles.

Parents came down to build sand castles with their children.

As part of the annual Jikeleza Festival, African Angels held a sand castle building fundraiser on Chintsa East Beach. Around 14 teams entered the competition, which was judged by returning volunteer Debbie Burnett.

Volunteer Donations in Term 3, 2018

FC Barcelona football shirts donated to African Angels by SySports in the UK and brought to African Angels by Chris and Lynn Pan who volunteered with us in September 2018, along with their children Zara and Zane.

Tanya Blattler, daughter in law of our volunteer Valerie Blattler donated funds so each child could have pizza for lunch on the last day of term.

Hostel Happenings

Our kitchen floor has received a new concrete top courtesy of Rotary East London. It looks incredible! We have had two fridges donated by a local Chintsa resident, and a new microwave from the Glen Eden Church. The ongoing support from the Glen Eden Church means so much to our girls.
